About Me

Dynamic freelance programmer with a proven track record of delivering high-quality solutions. Known for a friendly, positive attitude and exceptional problem-solving skills, I thrive in collaborative environments. Adaptable and quick to learn, I effectively contribute to team success while maintaining a strong sense of personal responsibility.

Education

- **Bachelor of Science STI West
Negros University – Bacolod City,
Negros Occidental**

Work Experience

- **Freelance Programmer | 01/2022 – 2024**

Developed and maintained projects utilizing PHP, MySQL, and JavaScript to meet client requirements.

Self-motivated with a strong sense of personal responsibility for project delivery.

Worked effectively in fast-paced environments, balancing independent coding with team collaboration.
